### **Sea Cliff Resort & Spa Location**

The Sea Cliff Resort & Spa is conveniently located about 20 minute from Zanzibar Town, better known as Stone Town on the West Coast of Zanzibar Island.

Driving into Sea Cliff Resort & Spa you know you have found something special. The 4 km road through a coconut plantation that leads to the hotel is a reminder of the Zanzibar of old. Peace and tranquility, no other hotels or busy roads just open space and palm trees.

As you enter the courtyard filled with tropical flowers and palms the view of the ocean stands before you. With our traditional makuti roofs and Arabic towers lite by brass lights you know this is not a typical hotel. Its a hotel built with our location in mind, its a unique combination of modern facilities mixed with the original exotic architecture of historical Zanzibar.

The decorative natural colour scheme of creams and golds are complimented by all the antique furniture that has been specially sourced to show the culture, the history and the influences that make Zanzibar so unique.

The hotel is situated on a cliff overlooking the Indian ocean and offers panoramic views from the lounge, restaurant, bar and even the recreation area. You can enjoy breakfast overlooking the ocean or have dinner under the stars, or a sundowner on the jetty the choice is yours.
